
Structural Biology Platform

Department of Biochemistry and Molecular Medicine, Université de Montréal
Pavillon Roger-Gaudry, office C-313
2900, boul. Édouard-Montpetit, Montréal, QC H3T 1J4, Canada
Tel: +1-514-343-6322

SAXS time request form

To sign up for SAXS time, please fill this form and return it by email to Normand Cyr (normand.cyr@umontreal.com).

Contact information

First Name: _____

Last Name: _____

Email address: _____

Full address: _____

Phone number: _____

Project information

Please provide information on the research project in question:

Sample information

Sample name: _____

Molecular weight (kDa): _____

Sample concentration (mg/ml): _____

Solvent composition: _____

Isotope labelling scheme: ___ ¹⁵N ___ ¹³C ___ ²H ___ Other

Experiment information

Experiment(s) requested: ___ SAXS ___ WAXS

Amount of time requested: _____

Temperature (°C): _____

Other special information

Acknowledgement notice

An acknowledgement of funding sources must appear on all publications resulting from the use of the Structural Biology Platform facilities, whether or not they are copyrighted. The following text must be used:

This work is based upon research conducted at the Structural Biology Platform of the Université de Montréal. The Platform was funded and is currently supported by the Canadian Foundation for Innovation award #30574.

If space is limited, this abbreviated text can be used:

The UdeM Structural Biology Platform is supported by the CFI award #30574.
